

# LU-Talks

## Go Oversea, See the World

**Abstract:** Born in China, studied and lived in Japan for 16 years, now working in the US for a global company. I would like to tell you about my life working abroad and my career steps from IT engineer to a development process director.

**Guest Speaker: Daniel Ryu,**  
(Director of Development Process in Sony Interactive Entertainment Inc., Japan, Staff Technical Program Manager in Sony Interactive Entertainment LLC, USA)

**Chairperson: Dr. Ye Kyaw Thu,**  
(Lab Leader, LU Lab., Myanmar), ✉ [yktnlp@gmail.com](mailto:yktnlp@gmail.com)
